Dear Madam/Sir,

This letter is to officially inform that IVolunteer was accepted as a member of Youth, Peace, and Security Coalition in Sri Lanka (hereafter referred to as YPS Coalition).

YPS Coalition was formed in 2016 following a series of national and regional consultations for the Progress Study mandated by the United Nations Security Council Resolution 2250 on Youth, Peace and Security. While the YPS Coalition comprise of UN Agencies, Civil Society Organizations (CSOs), Youth-led organizations, Academia, and Development Agencies, the principal objective of this formation is to encourage young people to take the positive role for preventing and resolving conflict, countering violent extremism and building peace.

The YPS Coalition in Sri Lanka pursues youth's positive contribution to peacebuilding process with the support of improving the participation of young people with different backgrounds, building the capacities and skills of youth, and collaborating among youth-led organizations, peacebuilding organizations, the governments, private sector, and other relevant parties to set the strategies for social inclusion of young people.

Again, it is our sincere pleasure to have IVolunteer as a member of YPS Coalition under substantial partnership.
